This is a list of standards that CTO High Voltage normally chooses from. They are capable of playing virtually any standard but are rarely called upon to play more than a handful on any given night. If you have specific requests that you would like to hear at your event, please let us know and we will be sure to include it.

High Voltage Hitlist - proven crowd pleasers

Most dance songs at your event will come from this list. Please let us know if you have favorites from the main list and we will be sure to include as many as possible.
